Interiors for the future

**Boint**

Construction for the future

We create. We think. For you.

# Bakof group - Boint

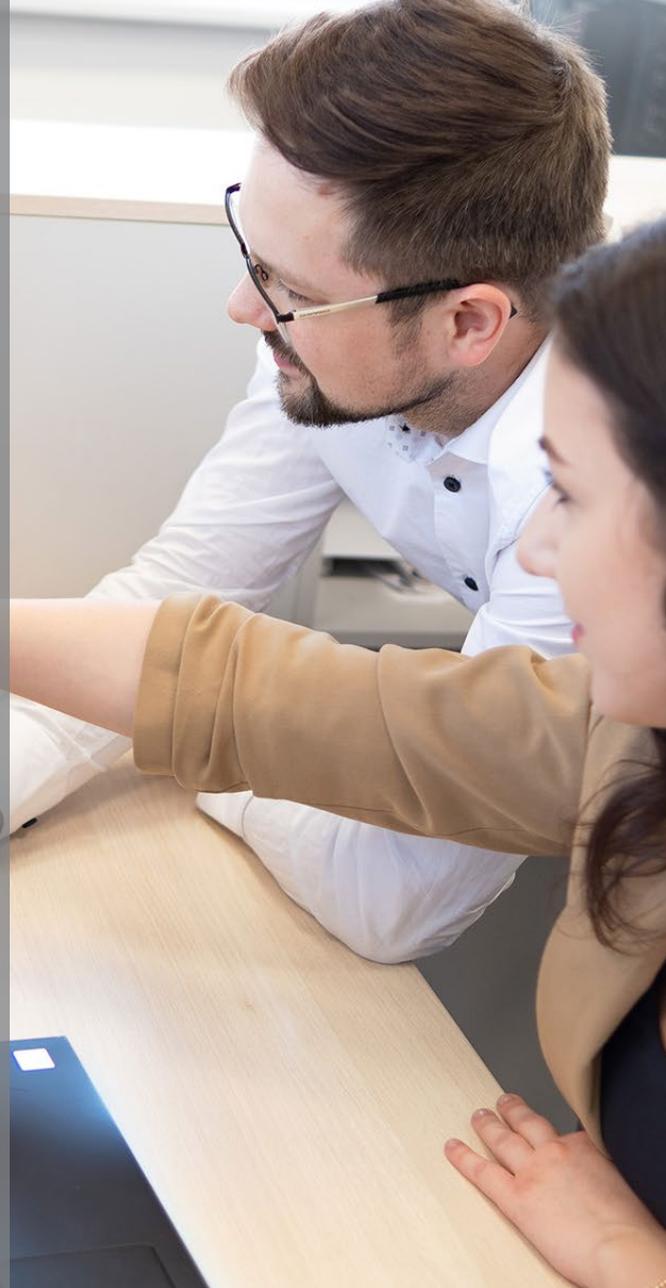

**Our company delivers projects „from A to Z.“**

We offer a comprehensive range of services, including:

- Design and 3D visualization
- Architectural solutions
- Building construction
- Furniture production and installation

We design and deliver fully customized retail and commercial spaces - from **shops, offices, and banks to hotels, car showrooms, shopping malls, and food courts.**

Founded in Brno and Prague, we now have offices in Brno, Prague, Slovakia, Hungary, Romania and France, while operating across Europe. Our experienced regional teams and trusted local partners allow us to remain flexible while maintaining the highest quality standards.

**24 years**  
in business

**24 000 000 €**  
turnover last year

**60 employees in HQ in Brno / Prague:**

3D designers, architects, project managers,  
sales managers, construction,...

**Branch offices**

in Slovakia, Hungary, Romania, France

More than **2000 stores**  
successfully realized throughout the EU

Over **3000 m<sup>2</sup>** of construction  
and warehouse area right near HQ in Brno
