After 6 years of work, Bakof Group has developed, with its team of 20 people in development and trade and about 60 workers in manufacturing, among the best companies in the field of products for sales promotion and shop equipment.

“ Our company is proud to help the new clients such as NOTINO with entering the retail market. ”

Shop equipment is a discipline where we apply all of our knowledge and creativity, and we are able to provide a complete solution for our client. From measuring of space, electrical wiring and water plumbing, plasterboard construction, to design of a furniture, production and assembly at place.

We will gladly assist to you.
