The Bakof group team 2022...

A modern office interior featuring a long, white, geometric reception desk with a faceted, crystalline design. Behind the desk, two computer monitors are visible. The background wall is white with a large, stylized logo that reads "SAFEBOXES" in blue. The logo consists of the word "SAFE" in a sans-serif font, followed by a circular icon containing a keyhole, and then "BOXES" in a larger, bold sans-serif font. A blue horizontal stripe runs along the base of the wall. The ceiling has recessed lighting and a circular ventilation grille. The floor is a light-colored, polished material.
